See some park areas in North Abingdon along with different age housing developments.

Path into park area

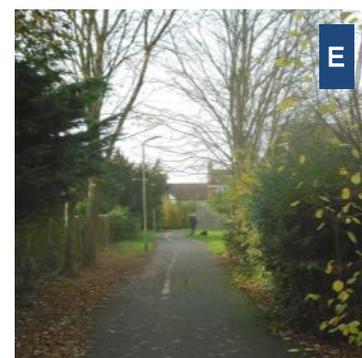

One of many lovely views in the park

Fun garden sculpture in Hillview Road

Start of path from Hillview Road to South Avenue

Path from Oxford Road to start

Route

These directions start at the Long Furlong Primary School.

- From Boulter Drive, enter the paved path past the community centre on your left.
- Follow the path to the first house on your left and turn left into the tree-lined, unpaved path just before you reach that house.
- Turn right at next path (unpaved) and follow until you get close to Dunmore Road (you see and hear the traffic).
- Go left onto the field (no path) and follow round the edge of the park until you reach the next path and turn right out of the park.
- Follow Hillview Road which takes a sharp left turn and continue to the end then turn left into the path by Hill View Play Area.
- At end of path turn right at South Avenue then right at end (still called South Avenue)
- Left at West Avenue then right on North Avenue then left at Oxford Road.
- Left at paved path at pedestrian crossing and follow this back to the start.
